and Hyperbaric Clinic

Updates on Wound-care Practice

8 a.m. to 4 p.m.

Tuesday, July 27, 2010

Pzazz Convention and Event Center
3001 Winegard Dr., Burlington, Iowa

7 to 8 a.m. registration and vendor booths

Purpose

Updates on Wound-care Practice will provide a comprehensive summary of most wound-care interventions and barriers to wound healing.

Educational objectives

At the end of this program, participants should be able to:

- Describe assessment and examination considerations for the diabetic foot
- Describe common medical interventions that impair wound healing
- Describe diabetes growth in the United States and how diabetes impairs the wound healing process
- Describe the effects of psychological and cognitive abilities on wound healing
- Discuss strategies to improve outcomes in patients with diabetes
- Discuss updates in the National Pressure Ulcer Advisory Panel and European Pressure Ulcer Advisory Panel's Pressure Ulcer Prevention and Treatment Clinical Practice Guidelines
- Recall the normal phase of wound healing

Intended audience

- Licensed practical nurses
- Occupational therapist assistants
- Occupational therapists
- Physical therapist assistants
- Physical therapists
- Registered nurses

Instructor

Pamela Scarborough, P.T., M.S., CDE, CWS, FACCWS – Scarborough has extensive clinical background in a variety of practice settings including acute care, long-term care, outpatient physical therapy and home health care. She has held rehabilitation supervision and management positions in several areas of practice, and she was Diabetes Program Director for a large home-health agency. Scarborough earned her diabetes educator certification in 1992 and her wound-care specialist certification in 2000. She teaches and lectures nationally on wound care, cardiac rehabilitation, diabetes management, orthopedics and other subjects in her related fields of practice and interests.

Fee

The program is free for Great River Health Systems employees. The fee for non-employees is \$40. The fee includes lunch, refreshments and continuing-education recording.

Continuing-education credit

This program is approved for 6.5 contact hours by Great River Medical Center (Iowa Board of Nursing Provider No. 43 and Illinois Physical Therapist Sponsor No. 216-000103).

Registration

Great River Health Systems employees may register on NetLearning. All other attendees may register by calling the Corporate Education Department at (319) 768-4000 or by completing the form and mailing it to:
